

Razer Blackwidow Tournament Edition Keyboard USB port board Replacement

This guide explains how to replace the USB port in the Razer Blackwidow Tournament Edition keyboard.

Written By: Haleigh Teegarden

INTRODUCTION

This guide explains how to replace the USB port in the Razer Blackwidow Tournament Edition keyboard.

Step 1 — USB Port Board

- Remove the four plastic covers and rubber feet from the corners of the keyboard.
- Remove the four screws.

Step 2

- Turn the keyboard face up.
- Remove the four screws which attach the keys.
- Note: Note the orientation of the white plastic cover relative to the LED at the bottom of the board.

Step 3

- Locate the USB at the top of the device.
- Remove the two screws attaching the USB.

Step 4

- Unplug the cable connecting to the USB board.
- Plug the new USB board into the slot.
- Replace the screws in the USB board.

To reassemble your device, follow these instructions in reverse order.
